At the end of last week's consultation call, I asked who I should contact about developing language for stipulations pertaining to mitigation funding.. As those on the call will remember, I was specifically told, "Don't call us: we'll call you.." However, the man who assured me he would contact me never did. I was not even told who it was. Please send me the contact information of someone I can speak to about this.

Thank you,  
Betsy Merritt
